

2nd International Symposium on Cellular Delivery of Therapeutic Macromolecules

Confirmed Speakers

Bert de Boer (Netherlands)

Shiroh Futaki (Japan)

Mike Gait (UK)

Dick Hoekstra (Netherlands)

Jindrich Kopacek (USA)

Wayne Lencer (USA)

Randy Mrsny (UK)

Ben Nichols (UK)

Len Seymour (UK)

John Silvius (Canada)

Ernst Wagner (Germany)

Applications Sessions

Kevin Braeckman (Belgium)

Aled Clayton (UK)

Peter Griffiths (UK)

Organisers

Mark Gumbleton
(Cardiff University UK)

Arwyn Jones
(Cardiff University UK)

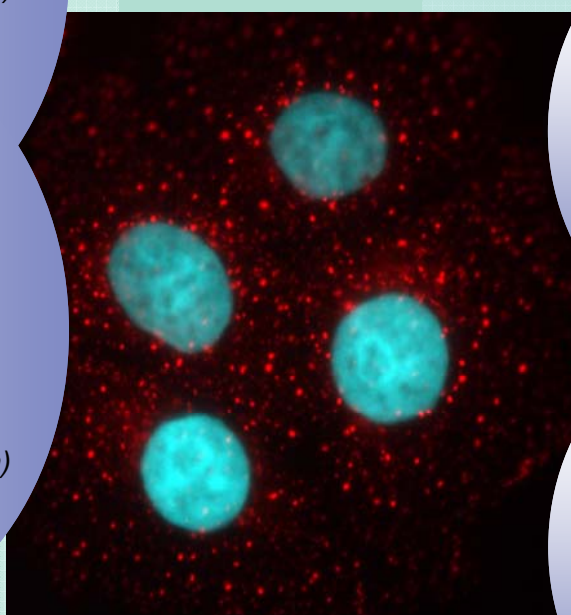

Cardiff University, UK
22 – 25 June 2008

Poster Abstract
Deadline

6th March 2008

Registration
Deadline

3rd April 2008

Topics to include:

- Endocytosis and Membrane Biophysics
- Polyplexes and cellular barriers
- Gene delivery for Cancer therapeutics
- Cell penetrating peptides
- siRNA technologies
- Antibody transport across biological barriers
- Transcytosis & macromolecular drug delivery
- Transport through the Blood Brain Barrier
- Polymer Therapeutics

Session Chairs

Bernard Lebleu (France)

Peter Watson (UK)

Registration and further details can be found at
