

**School of Pharmacy and Pharmaceutical
Sciences
Lectureship in Biopharmaceutics
(3-year contract)**

UNIVERSITY OF DUBLIN
TRINITY COLLEGE

mERRION
p h a r m a c e u t i c a l s

This post is sponsored by Merrion Pharmaceuticals Ireland Ltd.

Applicants should have a Ph.D. in Pharmaceutics, Biopharmaceutics or a related discipline.

The appointee will be expected to conduct research in the area of Biopharmaceutics, with particular emphasis on enhancing the bioavailability of pharmaceutical compounds and the design and development of novel drug delivery systems. S/he should have experience of lipid-based drug delivery systems.

The successful candidate will contribute to the teaching of courses in Pharmaceutics and Pharmaceutical Technology at both undergraduate and postgraduate level.

This appointment will be tenable from 1st January 2008 and will be offered on the Lecturer salary scale: €36,433 - €83,512 per annum. The commencing salary point will not exceed the 9th point, €53,495 per annum.

Informal enquiries can be made to Dr. Anne Marie Healy (Tel: + 353 1 896 1444 or by email to: healyam@tcd.ie)
