

KING'S COLLEGE

School of Biomedical & Health Sciences
Pharmaceutical Science Division

Chair in Pharmaceutics Ref: A5/GLY/138/08-DB

Applications are invited for an established Chair in Pharmaceutics tenable in the Pharmaceutical Science Division as soon as possible. You will be a member of the Teaching Department of Pharmacy and contribute to the highly successful MPharm and MSc programmes.

You will be expected to provide leadership for the Drug Delivery Group and to represent this activity on the Division's Executive Committee. You will be expected to develop strategies to increase the research activity of the group within the broad area of drug formulation and delivery and to initiate research with the Divisions other research groups.

You should have an established international reputation and a substantial number of peer-reviewed publications in the relevant area. You should provide evidence of engagement in research of outstanding quality with a proven record of being able to attract funding for research, and be willing to collaborate with existing projects as well as maintain their own interests. It is desirable but not essential, that you should have a Pharmacy degree.

Salary will depend on experience and qualifications.
